## Financial Update:

We are still waiting for information and bills to come in, and there is nothing much new to report. Therefore, I want to refresh everyone's memory about the various major expenses that make up our budget for the year. As published before, most of our expenses are fixed meaning that they go on regardless of the situation. That is why we have been so thankful of the continued support we have received from you parishioners. There are some expenses that we can cut back, and we have done our best to do that in these trying times. More current information next week.

Once again, the Faith Direct program is no longer in use. If you have not converted your online giving to Realm or would like to use another method, please contact the office.

### Creation Care Corner

*"All of us operate as instruments of God for the Care of Creation."*  
— Pope Francis

#### Celebrate the Season of Creation

From Sept. 1 to Oct. 4 each year, the Christian community celebrates the Season of Creation by praying and acting together to protect our common home. We Catholics are uniting with others in the Christian family to protect every creature in God's beautifully complex web of creation. This is a time to celebrate the abundance of life and to refocus our efforts to protect creation in all its glory.

Caring for Creation protects the inheritance the Creator has given us, ... an inheritance essential to our well-being. Pope Benedict XIV told us protecting this inheritance is a way of fulfilling our role as stewards of Creation. Pope Francis urges us to recognize our connectedness with the natural world saying, "Nature cannot be regarded as something separate from ourselves or as a mere setting in which we live. We are part of nature, included in it and thus in constant interaction with it." (LS 139)

### The Season of Creation

The Season of Creation spans five weeks between the World Day of Prayer for the Care of Creation (September 1) and the Feast Day of St. Francis of Assisi (October 4). This "time for creation" offers, in the words of Pope Francis, "individual believers and communities a fitting opportunity to reaffirm their personal vocation to be stewards of creation, to thank God for the wonderful handiwork which he has entrusted to our care, and to implore his help for the protection of creation as well as his pardon for the sins committed against the world in which we live."

On Tuesday, September 1st at the noon Mass, Fr. Pete will celebrate a special Mass for the Care of Creation with different readings and prayers.
